Excited for Spring!!

Our winter activities have included lots of exercises, games, crafts, movies, and time together. But we would be lying if we said we weren't super excited for spring and the warmer temperatures that come with it. The warmer weather will allow for long walks, planting flowers and enjoying some fresh air.

The Comforts of Home staff would like to thank you for your continued support as we have the honor of getting to know you and your loved one. "The most precious thing we can give to another is our time, care and love."
