

# GOOD TIMES

Lino Lakes Gracewood Senior Living

April 2024

## Spring!...It's time to bring the inside out!

While we definitely can't complain about the winter we've had this year, we've still missed our patio time at Gracewood! As soon as the snow melted, residents stepped out to enjoy those unseasonably warm days with just a sweater or lap blanket to take in the fresh air and hear traffic going by again.

As we waited for the snow to melt, we tried some directed drawing, played some new games, and did several baking projects! Our residents LOVE music! So, during the past few months we've enjoyed lots of live music including Irish cloggers, a music themed Easter program, several sing-a-longs, and even karaoke!

As we "Think Spring" we're looking forward to a spring spa day, our May tea, and time spent with a cup of coffee or ice cream with friends on the patio. We are excited to celebrate with all our moms on Friday, May 10th @ 2pm. Please mark your calendars to join us!
