Blaine White Pine Senior Living

April 2024

Happy Easter!

Spring at White Pine will bring new and exciting things to do, come join us! White Pine Senior Living in Blaine always has something going on. January brought such a mild winter, that Elvis was able to come and sing for our residents. The flowing white cape with turquoise rhinestones coupled with the sideburns really brought us back to when Elvis was making the girls swoon. Valentine's Day is always a big hit with crafts, treats, chocolate, and don't forget the party with a King and Queen. Our couples in both buildings will reign supreme in White Pine, it's a year's worth of bragging rights. Celebrated St. Patrick's Day with a Leprechaun singer, not to be confused with the Masked singer. The Easter Bunny was able to visit bringing smiles to many faces.

We have had a taste of Spring and can't wait to get outside and go for walks, garden, or just get some good old sunshine. Some of our residents will help cultivate plants again this year, they really love watching everything grow. May will bring our Mother's Day tea, and in June everyone looks forward to our Summer Party. We love seeing families come together, it always brings a smile to everyone's face. Even though we love our big events, we always have time for Bingo, card games, exercise, church services, therapy dogs, preschools, and much more. April is Volunteer Appreciation month, we want to thank all of our volunteers, you help make this place so much fun! In April, we will have our Family council meeting, so please watch your email for our flyer.
