Cottage Grove White Pine Senior Living

April 2024

Spring is in the air!

We have had a busy winter here in Cottage Grove. Our residents love music and have had volunteers and performers sing songs from their younger days and lead us in hymns. The Woodbury Kitchen Band gave us a wonderful performance with music created with teapots, kazoos & other kitchen tools. We've also gotten our creative juices flowing with holiday themed craft projects and baking! As we enter April, the birds are chirping, and the trees are blooming! We look forward to planting our flowers, watching the birds at our feeders, and enjoying the sunshine.
