

# GOOD TIMES

Mendota Heights White Pine Senior Living

April 2024

## Springing Into Spring!

Here at Mendota Heights White Pine Assisted Living and Memory Care, our White Pines family is so excited to spring into spring with our new activities director always at the ready with new fresh and fun ideas to give us a reason to look forward to each new day. A few of our favorite activities so far this winter include our “snow days party” where we had games such as “snowball toss” and “snow castle knockdown”.

Another one of our favorite activities was our March luau themed party where we enjoyed a few virgin “piña colada’s” and our favorite D.J. Faylon hosting a hula contest for us!

We look forward to our new outdoor enrichment days, along with garden club every Tuesday with our favorite golden retriever companion Ellie May! She has been so helpful with our everyday cares such as walking to and from appointments and overall daily wellness. We’re also super excited for our Thursday baking classes throughout April!
